## SAS Learning Center at Kentwood

Kentwood is a public service project spearheaded by SAS Institute Inc. in partnership with Communities in School of Wake County (CISWC). The service provides at risk students from grades Kindergarten through 12<sup>th</sup> an opportunity to improve and excel in their education. Students work with staff and adult mentors in a nurturing environment that encourages them to succeed in the classroom and in life. The facility will serve over 80 children from a low and moderate income area.

Total estimated cost of this project is \$600,000. The City of Raleigh has agreed to provide \$150,000 to Kentwood using federal Community Development Block Grant (CDBG) funds. The remaining balance will be supplied by SAS Institute. Kentwood is scheduled to open in May, 2006.
